The most popular fashion trends from the BBHHS 2023-2024 year are ready to wear! Flare leggings have made a comeback and White Fox has blown up all over social media! So many different colors of Nike Techs are being worn. Platform shoes have become a big thing and almost everyone has a pair and of course everyone loves their ugg! Lululemon has gained even more popularity this year. With their scubas, bet bags, and leggings all still being a hit.

Stanleys have become huge this school year, everywhere you go you see a Stanley. Lastly Dunks and Birkinstock, some more of the most popular shoes partly because they are gender neutral, so guys and girls have joined his trend. These are the biggest fashion trends this year.
